

Dusky Meadow

Strathspey

Arr. for pipes, Michael Kerr

*) Composer not known (to me)

*) Sources: This strathspey is known to virtually every Cape Breton fiddler though I know of no other piper who plays it. It is on the following recordings in my collection:

Raymond Ellis: *Dedicated to Mom & Dad*

Traditional Music From CAPE BRETON ISLAND (Recorded Live at the 1993 Cork University Traditional Music Festival)

Harvey Tolman: *1000 Miles From Cape Breton*

Samples of this tune are included on audio cassette tape provided with this package.
