Strathspey

Arr. for pipes, Michael Kerr

Ciamar a ni mi 'n Dannsa Deireadh
Ciamar a ni mi ruidhle bòidheach
Ciamar a ni mi 'n Dannsa Deireadh
Dh' fhalbh am prìn' à bonn mo chòta?

Dh' fhalbh am prìn' a chuir air clìth mi
Dh' fhalbh am prìn' à bonn mo chòta
Dh' fhalbh am prìn' a chuir air clìth mi
Ciamar a ni mi ruidhle bòidheach?

*) Composer unknown

*) Sources: This strathspey is known all over. I heard it for years on fiddle before I ever heard it played on pipes and, so, was deeply dissatisfied with the versions I was handed as a piper. So, I set mine own after the playing of fiddler Mike MacDougall, who can be heard playing this tune on the old BBC LP recording

THE MUSIC OF CAPE BRETON: Volume 2. Cape Breton Scottish Fiddle

Samples of this tune are included on audio cassette tape provided with this package.
